

# Digital Humanism: An Agenda for the Future

# dighum.org

# Digital Humanism: A proposal

- Build **synergies** with like –minded organizations towards making joint proposals to policy makers (both sides of the Atlantic and ROW)
- **TEENS FOR DIGITAL HUMANISM**
- 1. Provide a mechanism that will allow teens to familiarize themselves with and exchange ideas about Digital Humanism
- Frame and test a strategy to engage local and regional high schools in supporting this initiative
- Bring local and national government representatives to “tables” curated by teens
